This conformity certificate confirms the conformity of the product with essential safety requirements of the following EC/EU New Approach Directives as amended:

2014/30/EU EMC Directive

Harmonized standards used for the conformity assessment:

EN 55014-1:2017/A11:2020

Other standards and specifications used for conformity assessment:

EN 55014-2:2015

The certificate has been issued on the basis of the tests of the product type sample. The results are recorded in the Conformity assessment report No. 210500199 dated 14.06.2021

mark can be used only in the case of conformity assessment according to all relevant EC/EU Directives

This certificate is issued under the following conditions:

1. The certificate applies to the product type and its variations specified in the above mentioned Conformity Assessment report.
2. The production process/factory production control is not covered by this certificate.
3. The certificate does not imply that the certification body has performed any surveillance or control of the production process.
4. The manufacturer shall ensure the conformity of subsequent production items with the certified type.
5. Changes that may have an impact on maintaining conformity with the certification requirements may require confirmation of the validity of the certificate by demonstrating compliance with the conditions under which the certificate was issued or by conducting an additional evaluation.
6. The holder of this certificate must keep the conditions specified in the General Rules for Product Certification, which are freely available at www.tsu.eu.

Issue date: 15.06.2021
Expiry date: 14.06.2024
